INFLUENCE:
Toledo's newspaper — a strong influence for over 150 years.

The Blade is more than a newspaper. It is a community institution . . . investing itself in the economic, cultural and political life . . . working to set priorities . . . sparking ideas . . . using its influence to help great things happen.

Linked as it is to world markets by the St. Lawrence Seaway, the Port of Toledo is Ohio's No. 1 port.

It has the largest Foreign Trade Zone on the Great Lakes.

In 1955 The Blade played a major role in the formation of the Toledo-Lucas County Port Authority. Through this self-governing entity, Toledo taxpayers hold title to property, facilities and equipment worth many millions of dollars.

The Blade's strong influence makes it an effective catalyst for community achievement. It's an influence we share with advertisers in our 14-county market. 3-county Metro area Sunday coverage, 82%; daily coverage 67%.

The long and short of the matter is that newspapers are the best vehicle to bring shopper and seller together.

E&P

New York, NY 10011

Remember when banking was simple?

Now it's all about CDs, capped mortgages, linked accounts, equity loans, rollovers.

It's enough to leave even a banker unbalanced.

Fortunately, there's newspaper advertising... an investment that's safe as houses. Maybe safer.

Newspapers provide plenty of room for detailed, factual information about financial services. When you're talking to people about their money, glib is out, facts are in.

Newspapers provide a serious business-oriented environment which is ideal for talking about financial opportunities.

And most important, in newspapers the financial marketer reaches people who have the means to use his services. Of those owning their own homes, 67% read a newspaper today. Of those with $30,000+ income, 73% read a newspaper today... and so did 70% of holders of major credit cards.

Even if you're not into high finance, here's an investment tip: buy newspapers. The same qualities that make them right for bankers—room to tell a factual story, serious editorial environment, upscale audience—could put more money in your piggy bank.
